

KIZZY, IZZY AND BABY

Making memories of motherhood

About Kizzy, Izzy and Baby

Kizzy, Izzy and Baby is a family and lifestyle blog. We write about what we have been up to as a family, the big milestones and the small but meaningful moments that we don't want to forget. We share ideas for children's crafts and activities, posts about parenting (sometimes informative, mostly entertaining) and any handy tips we learn along the way. From first steps to the first day at school, from pregnancy through to pre-school and beyond, our blog covers all aspects of family life.
